For the past several weeks, we have been sending Merwin Family Record forms to all tenth generation Merwins shown in the index of the *Merwin Family in North America*. These forms are sent in an effort to rewrite the tenth generation chapter and add the eleventh, twelfth and thirteenth generations in a supplement to MFNA.

We have found certain persons on our mailing list who are members of our association but we can not find their names in MFNA. You are one of those people. Will you please fill out the blank record form enclosed and return it to me. Show your line back to a MERWIN in MFNA or back to MILES' MERWIN.

We are determined to list all members of the association in the supplement. Please help by making your reply as complete as possible.

Sincerely yours,

Merwyn

Dear Cousin:

Enclosed is the rough draft of your family entry which we shall include in the supplement we are writing to the Merwin Family in North America. Please give me any necessary addition or correction. I'd also like to have a short biography of you and your husband. You know—schools, degrees, occupations, interests, etc.

We would be most pleased to have you join our association. It is persons of your generation who must take an interest to keep the organization growing and serving. The annual dues are only $2.00 per year and that covers you, your husband and unmarried children. Please send me a check payable to the Miles Merwin Assn.

Sincerely,

Merwyn

Dear Cousin:

Thank you for your family record sheet. There is just a couple of additional things I need.

One, is a brief biography of you and your husband. (I turned the record sheet over - don't need this!!

Secondly, we need to have (if known) the natural parents' names of your children. It is important to record these names in the event that future generations attempt to trace their line.

You are also welcome as members of our association. The annual dues are only $2.00. Send your check payable to Miles Merwin Assn. to me.

Best regards,

Merwyn

Dear Cousin:

Your cousin, Robert Reek of Prescott, AZ, told me of the sad news of your son Douglas Charles Schuren's death sometime last year.

Would you mind giving me the date of his death and any details you wish? We want to put a notice in Milestones and in our genealogical records.

GENEALOGIST'S PREFACE

This volume of The Merwin Family in North America contains a complete reworking of the first generation, additions and corrections to the second through the tenth generations, a complete reworking of the eleventh generation, and up-dates to the twelfth and thirteenth generations.

In the first two volumes of the genealogy, we were forced to utilize many abbreviations and to keep biographies of families very brief due to space limitations. In this volume, we have reduced the number of abbreviations considerably and encouraged families to provide biographies, not only of the male member of the family, but also of the female member.

Reworking of Chapter 1, The First Generation

Since the publication of Volume II of MFNA in 1983, we have made significant discoveries about Miles [1] Merwin, specifically, the date and place of his baptism. These were discovered in the Parish records of Berkshire, England, by a professional English genealogist. This discovery and subsequent searches also revealed the names of Miles' parents, his brothers and sisters, and his mother's brothers and sisters. These pedigrees were first published by the Association in Milestones No. 88, March 1989; a photo-copy of the actual baptismal record was in Milestones No. 79 dated April, 1986. (Both documents are contained in the Introduction to the present volume). Accordingly, Chapter I of the first volume of The Merwin Family in North America has been completely reworked, including the incorporation therein of a brief sketch of the life of Miles [1] based on information in the Historical Perspective section of ~~the~~ that volume.

Additions and Corrections

The additions and corrections to the second through tenth generations are divided into two sections, one referring to the first volume of the genealogy and the other referring to Volume II. Within each section, the entries are by page number. The entry notes first the page number, then the volume, the descendant number of the person involved, and then gives that person's name and generation, e.g., "p.196 I (1280). Hezekiah [7] Clark".

Dear Mrs. Remmel:

I was pleased to learn you accepted a position as director of our association. I look forward to meeting you one day soon.

You have been most helpful to me in my search for Merwins for the Supplement. May I ask yourt help again?

I have been tracing Betty Jean Merwin, wife of Douglas Schuren. (Refer to #4822 in MFNA). There is no clue to her whereabouts except she was born in Walworth, Wisc. I called Directory Service for Walworth and obtained the phone number of a dentist, Dr. D. C. Schuren; so, I seemed to be on the trail. However, when I called the number 1-414-275-2463, I got an answering service. Could you locate a phone book for an address of Dr. D. C. Schuren - I think he is Betty Jean's son. Perhaps you know someone in Walworth who could help.

Merwyn

Dear Bob:

Just a note to tell you thanks for the material you collected on the family.

I shall study it over for any new data, but at a quick glance it seems to contain mostly the erroneous suppositions which we were subject to before we learned the place of birth of Miles [1] and the identity of his first wife Elizabeth. People who write books making statements without any evidence of proof try my patience. People repeat these statements until they become family legend and then everyone believes the material is truth.

At any rate, thank you for thinking of me.

Best regards,

Dear Merwyn,

I met you some years ago at the Reunion in the old Botsford Hotel at Dearborn, Michigan. I've been reviewing documents in my genealogy file drawer as a result of rearranging my office here at home.

I collected the attached material some years ago, before I joined the Merwin Association and I thought some of it may be of interest to you. I made these copies at the Winnetka, Illinois (suburb of Chicago) Public Library.

Most of the material seems to be from the files of a Dr. Ray Hulbert, of Oak Park, Illinois--another suburb. I found the old material interesting; you may have it for your files or you may discard it.

I thank you for your persistent efforts to locate Miles' English roots. I look forward to seeing you again at a reunion someday.

Cordially,

Bob

My dear Sir:-

The library copy of the New England Historic & Genealogical Register has just been received, and I have hastily perused it. Much to my surprise & pleasure I saw that you are engaged in writing a Merwin Family history.

This is something I have been engaged in myself for over twenty years. I have charge of the Genealogy Room here in the Library & as every book is received, I have tried to make a search for the names Merwin & Powell. All this material I am now typing & putting into shape to get the families together.

During this time, I have been too busy to try getting any thing through correspondence but hope to later, that is if you or some one else does not publish a book before I do.

Do you intend compiling a book of all the branches of the family in the U.S., or simply your own line? I have a copy of the book written in part by Mrs. Caroline Gaylord Newton some years ago. This takes only her own branch & has been so disappointing to me, that I resolved to see what I could do with one of all the family in the U.S.

While I have a large mass of pencil notes not yet put into shape, if you wish any help I shall be very glad to run through them for you as I have time.

My own descent is - my mother's mother, Rachel Merwin m. Joseph H. Hobbs; Rev. Lewis (her father) bro. of Rev. Samuel Merwin, the M.E. missionary; sons of Rev. Daniel of Stonington, Ct., Durham, Greene Co., N.Y., & later of Delhi, N.Y.; Lieut. Miles; Hon. Daniel of Durham, Ct., Miles, Jr. & Miles the Emigrant.

We belong to the Kinderhook, N.Y. & Sacramento, Calif. family.

Hoping to hear from you when convenient,

Sincerely yours,

(Miss) Clara Merwin Powell.

Dear Sir:

You ask whether it is correct that Miles Merwin of Wales married first Elizabeth (Baldwin) Canfield.

I have frequently seen the statement made that Miles Merwin came from Wales. I should like to know whether there is any evidence to support the statement. What is the evidence that he married Elizabeth (Baldwin) Canfield? It is said that Miles' first wife was mentioned by Winthrop in 1657 with daughter Abigail, aged 5, and son Thomas. Her name there is given as Elizabeth. It is sometimes said that his first wife was Isabel Haynes (some say Jaynes) but it is also said that Isabel Jaynes married Miles Moore, which might account for the confusion. I am quite sure that no one knows what Elizabeth's name was.

Very truly yours,

Dear Sir:

I have your letter of recent date. It is not that this Society is trying or wishes to prevent the use of our manuscripts for all reasonable purposes, but these manuscripts are part of our assets, as money in one's pocket is their asset.

If you will tell just the line that you desire to show your ancestry, the information can probably be looked up for you for a very reasonable charge.

The manuscript Merwin genealogy, which we have, states that Mrs. Elizabeth Merwin came in the ship "John" of London with the Dorchester company. She was a widow and probably went to Windsor, Conn. Later she married Governor Robert Treat, as his third wife. On her death in 1684, her estate went to Miles Merwin, his wife Elizabeth and the five (5) children they had at that time.

Re Merwin Genealogy

Dear Doctor:

The Merwin Genealogy in manuscript, which is in my sister's possession, will give authenic information on the point you wish to cover.

At present she is confined to a wheel chair with a broken hip, which accounts for the delay.

Miles Merwin came to Windsor from Dorchester with his aunt, who was the wife of Rev. John Warham, and remained with them a comparative short time, going from here to Milford where he settled.

As soon as I can get possession of this manuscript, will make copies of such facts as will be of interest to you.

Very truly yours,

Dear Mrs. Hildenbrand:

I appreciate your copying all that material from the Merwin book. It looks to me as if it represented hours of work.

I assume that you gave such references as the book contained, and that therefore the author did not give her authority for the statement that Miles Merwin was on the Mary and John or that Abigail wife of John Branker was his aunt. I suppose she did not even know whether Abigail was the sister of Miles' father or of his mother or the wife of a brother of one of them.

I suppose she did not give authority for the statement that Miles and his relatives were with that group of about sixty men, women and children who travelled across the country in the Fall of 1635.

I suppose she does not give authority for the statement that Elizabeth, first wife of Miles and mother of my ancestor Thomas, was Elizabeth Baldwin.

I am glad to have all these statements, because whether proof is presented or not they at least furnish points from which one may seek further data.

Did the book have any identification of Caroline Gaylord Newton or of her place of residence?

Very truly yours,

RGH:LP

EXCERPTS FROM " MILES MERWIN 1623-1697 AND ONE BRANCH OF HIS DESCENDANTS". By Caroline Gaylord Newton - 1909

P. 1. In the year/c 1630, in the town of Plymouth in England, there was a solemn ceremony, of the organization of a church co posed entirely of those who were about leaving, or had already left their homes, and were coming together, members of one church family, to make new homes in the new world of America.

Rev. John Warham, was installed pastor, and Mr. John Branker was ruling elder and school master. There were 140 persons in this company, among them one BOY NAMED MILES MERWIN, supposed to be at that time about seven years old, who was to cross the ocean in the care of his Aunt Abigail, the WIFE OF JOHN BRANKER. They sailed from Plymouth the 20th day of Mar. 1630, in the ship Mary and John, called "Mr. Ludlow's vessel".

They were ten weeks on the ocean. The ship reached the land at Nantasket, Mass. May 30, and the next day, Monday, they were put ashore with their goods and cattle. After some exploration by ten men of their number, they chose a place for settlement, and named it DORCHESTER, where they remained five years.

In the autumn of the year 1635, about 60 men, women and children, with them/ MILES MERWIN, reached and crossed the Connecticut river, andsettled themselves on its western shore, between that the Farmington river, which the called the Rivelet. Their new home they had at first named Dorchester, but the name was changed to WINDSOR, at a meeting of the Gen. Court. Feb. 1636-7. Thos. Marshfield built a house on the lot north of Mr. Branker in 1637

~~In 1637~~, ~~Mr. Branker~~ afterwards sold ~~a~~ the house to Roger Williams, whomowned it for three years, had a tannery and then sold it in 1650, the homestead with the land, to MILES MERWIN. Miles was then 27 yrs. old, and was already married to Elizabeth Baldwin. He latter moved to MILFORD. He was admitted to the church in Milford May 4, 1661, and his wife in June of same year.

"Lambert's History" says "that Miles Merwin was in Milford in 1645," but this is a mistake which probably are from confusing his name with that of MILES MOORE whowas there at that date. The first record of the the Merwin name in Milford is: "Aug. 21, 1656, Samuel Merwin, sonne of Miles Merwin of Milford".

It is MORE PROBABLE THAT THIS MARY COOK, mother of Hezekiah Talcott, WAS THE DAU. OF JACOB COOK who came as achild with HIS MOTHER in the ship Ann in 1623. HIS FATHER FRANCIS, and his bro. John, came in the Mayflower in 1620, the MOTHER AND YOUNGER CHILDREN coming three years later. John

Merwin-Hull,
Times, 6/29/46,

You seek data of Miles Merwin and his wife, mother of Mary who married Hull. I doubt that you will get satisfactory answers. I shall give you some of the notes I have set down, with apologies for not taking the time to organize them as should be done. I am very soon to leave town for a number of weeks and cannot possibly take the time for proper arrangement.

Beech? Beach?

I am told that in Boston Transcript, Jan. 8, 1930, answer 1-8505, W. O. B. said Miles Merwin b. Wales 1623, d. Milford, Ct., Apr. 23, 1697. Went to Milford 1645, m. 1st Isabel Jaynes (Haynes) 2d, Sarah, wid. of Thos. Bush, 3d Sarah wid. of Daniel Scofield. It seems to have been stated in that answer that the name of the first wife is found in Fairfield Records.

I am told that in Transcript May 1, 1929, ans. 1-7764, E. L. F. said he m. 1st Sarah Scofield; 2d Sarah Bush (writing is ppor, and that could be Beech, and same in l. 4 of para. above) ~~2d~~ wid. of Thos. Pratt(?), 3d Sarah who survived him.

It is said that Isabel in para. 2 abov, l. 3, sometimes was called Elizabeth. It is said also that Isabel Jaynes m. Miles Moore instead of Merwin.

Mrs. L. B. Hamilton of Milton, Mass., (I don't recall the date) wrote that so far as the name Haynes was concerned, there seemed to be no daughter or granddaughter of Walter, the immigrant, who married any one in Connecticut in the 17th century, tho it was not impossible that one might have done so as a widow,

There was (probably still is) a Geo. H. Merwin, Merwin's Lane, Westport, Ct., who has given much study to the family history. He reported to me, May 26, 1936, that Miles had three wives. Name of first unknown. She died July 10, 1664; second Sarah, wid. of Thomas Beach. Her parents were Deacon Richard and Mary Platt; She died May 15, 1670. Third was Sarah, wid. of Daniel Scofield. This man says the second wife was mother of your Mary and her twin, Martha. I hope he has the evidence to take care of your case.

He told me also that he had data from Mrs. Alma Merwin Joys of Milwaukee, which he did not consider as reliable as Jacobus. In this list the twins were daughters of the third wife, Sarah Platt, tho according to this list there were other twins, Mary and Deborah, daughter of the first wife, and they probably died young.

He reported to me also that Jacobus records, published by the Fairfield D. A. R. (I cannot be sure whether this means "Families

Dear Merwyn,

It's been some months since we've corresponded. Now that the Christmas season is over, things have slowed down and I wanted to respond to your request for pictures in the last Milestones.

I've included a 3 X 5 glossy of a snapshot in my mother's photo album. It's not too sharp but is the best I can do. I calculate that the picture was taken sometime between 1910 and 1912 (more or less). I arrived at this time period by looking at children pictured on the adjacent pages (birth dates) and by older people's death dates.

This picture is of the George Heman Merwin (2509) family shown on page 615 of the Merwin Family of North America. It was taken at George H.'s home at Walworth Wisconsin.

Pictured from left to right are: Florence Mae (3785), Ernest Leslie (3788), Mary Augusta (Barnes) Merwin, George Heman (2509), Thomas Benjamin (3786), and Sarah Rosetta (3787).

I note on page 615 that Mary's parents are unknown. They were Thomas and Sarah (Brewster) Barnes of Lake Geneva Twnship, Walworth Co. Wisconsin. Also I noted that death dates for those pictured here are not included in the MMFNA. I expect you have already received that information but in case you haven't, I'll list them below.

Mr. Merwyn R. Buchanan

Blue Bell, PA 19422

Dear Mr. Buchanan:

Thank you very much for your letter and the draft of my family entry for the supplement. I have filled in the blanks and made a couple of corrections. My mother was Helen (Boyce) Merwin, my father's first wife. She died in 1936. Emma Mary (Becking) Merwin was my father's mother and the second wife of his father, Thomas Benjamin Merwin. Emma Mary (Becking) Merwin died in 1922.

You asked about my mother's birth place. Like my father, she was born in Woodstock, Illinois. For many years my father worked for the post office. In 1939 he entered the furniture and undertaking business with his father. After his father's death, he became the owner and operator of both businesses. He later sold the furniture business but continued to operate the funeral home until his early retirement in 1960.

My father did send the forms to my brother and sister, asking them to fill them out and send them to you. I assume this will be done soon. You are correct that Jack C. Merwin, 3419 Glen Arden Road, St. Paul, Minnesota, is my brother.

I'm not sure how or why my membership lapsed. Perhaps a renewal notice didn't arrive, or was overlooked. At any rate my check for $2.00 is enclosed so that I may reactivate my membership.

Thank you for the time and effort you are personally putting into the geneology effort. We have found the first volume very interesting and informative and look forward to the supplement.

Very sincerely,

Ken Merwin

Dear Mr. Merwin:

Your father send me your family record (which you completed).

Enclosed is a draft of your family entry for the supplement. I believe the only things missing are the locations of the universities (city + state).

One thing your Dad omitted on his sheet was the place where your mother was born. Would you please tell me? Also, did your father operate a furniture store and a funeral home. His wording is not clear to me.

I note with interest that you were formerly a member of the association. Don't know why you dropped out, but we would surely like to have you rejoin. As you know the annual dues are only $2.00 a year (check payable to Miles Merwin Assn.). We need the support of all the Merwins in our search for Merwins for the supplement.

Hope your Dad sent your brother's and sister's family records forms on to them. Guess I'll be getting them shortly.

Incidently, I'm a trustee and treasurer of a Presbyterian church. It was a pleasure to hear from you.

Best regards,

Merwyn

Dear Cousin:

It has been many weeks since we wrote you asking for an update on your family record and you have not replied.

We do want to include your family in Volume III of The Merwin Family in North America, but we can not do so unless you reply. If there is no change in your entry, please tell me so. It will only take a moment for you to reply.

Dear Cousin:

As you may know, we are in the process of updating family entries with the view to preparing Volume III of The Merwin Family in North America.

All members of the Association of the eleventh generation will have an opportunity to update their family entry and have the update included in Volume III. This includes the names and birth dates of your children. If, however, your children wish to have their wife and children in Volume III, they must become members of the Association. Will you please check with each of your children and, if they are interested in having their families in Volume III, ask them to send me a check for $10 payable to Miles Merwin Assn. for annual dues. I shall then contact them for information.

Please look at you entry in Volume II to see if any change is required. If so, write me and I shall include the change in Volume III.

Best regards,

Dear Cousin:

Thank you for your prompt reply on the family record sheet.

That sheet is a bit misleading. (I must revise it). What I need is the date + place of your husband's birth. I'd also like a more complete biography - your husband must have done some interesting work in 23 years in the Air Force.

Before I forget. Our reunion is held the 3rd or 4th Saturday in June - usually in Milford, Conn., and we would be delighted to have you and your mother.

Incidentally, I must ask you to join the association because each family must be a member to be included in the supplement. By family, I mean you, your husband and single children. (Please send me a check payable to the Miles Merwin Assn.). The dues are only $2.00/yr.

I have written to Darrell and Debra asking for a few more details about their families and asking them to join also.

Hope your fruit trees did better than mine during the past hot summer.

Best regards,
Merwyn

Dear Mr. Grimes:

Enclosed is a family record sheet for your family based on data supplied by your mother. Please review it and make any correction you wish. Also, please fill in the missing encircled items. These seem like small details, but they are essential in a genealogy.

It is our intention to enter this data in the supplement to the Merwin Family in North America. We do, however, require that you become a member of our association to have your entry in the book. The dues are a mere $2.00 per year (checks payable to Miles Merwin Assn.). We would be delighted to have you.

Sincerely,

Merwyn

PS - we also need a short biography of you.

Dear Cousin:

Thank you for your family record forms. I am interested in your relationship to your husband thru the Merwin + Barnes families. You said George Heman^{8} Merwin (No. 2509 in MFNA) married Sarah Barnes. MFNA says his wife was Mary Augusta Barnes — "of undetermined parentage". Can you give me her parents' names?

A couple of remaining questions:

1) What is Arlen's middle name?
2) " " " birth date
3) " " " place of birth (city + state)

Also, you overlooked sending me your $2.00 check for dues. You must be a member of the assn. to have your family in the Supplement to MFNA. $2.00 a year is certainly a token sum to indicate your interest and support. Make your check payable to Miles Merwin Assn.

Best regards,

Merwyn

Merwyn -
Thanks for your note. Please note the correct spelling: KEDRIK. We handicapped the poor child at birth with a lifetime of having his name misspelled!

It was nice to see my aunt in the Milestones' photo at this summer's meeting in Milford. She is now ninety-two and, except for her knees, in great health. She is the person seated in the chair in the front row. A great lady!

Thanks again!

Bob Reek sent us an obituary for Betty Jean Merwin Schuren which we shall use in the next *Milestones*.

He also mentioned that you might be willing and able to give us some information about Marjorie Merwin Stephan's family. We have only June ___ 1954, place unknown for her death. Do you have the correct date and place of her death? We also need the date and place of death of her sister, Ruth De Ette (Merwin) Ryan.

If you have the address of Paula Stephan Gorski and any of Ruth's three children, I would appreciate them.

Best regards,

Merwyn R. Buchanan

Dear Merwyn,

I came across the attached obituary today. Betty Jean (#4822) was a second cousin of mine. I can't remember whether I've written about the information on page 458 V2. Marjorie Edna and Ruth De Ette were twins; birthplace of both should be Janesville, where there is a hospital.

Betty Jean told me that her son (Douglas) died in 1989 and that Marjorie (#4823) d. at age 27 (1954) Now the obit says that the other sister (Ruth) is dead also. I have no further information about her; I don't correspond with any of that branch of the family.

If you want to pursue this further, Stella Nemitz (#4829) may still be keeping records of that branch. The last time I talked to her she was at the Santee, CA address. Her phone number was 619-448-6228

I hope you and your family are well. We're still fairly active, but I notice some days, that I get tired without accomplishing much!

I hope we'll see you again at another reunion.

Sincerely,

Bob

Dear Mr. Merwin:

Thank you for your prompt reply to my letter of May 19th.

Enclosed is a rough draft of your family entry for the Supplement. There is just one missing item. Where was Mabel born? (city + state).

If you would like to expand on your biography, we will be pleased to include it. You might give us civic, church or military service, education beyond high school, etc.

Best regards,

Merwyn

Dear Miss Merwin:

We published in 1978 the *Merwin Family in North America* and in it we had an entry for your family which showed your name and date of birth.

We are now preparing a supplement and again your father gave us some information about your family. I would like to include a brief biography of you — schools attended, occupation, interests, etc. If you would care to send me this I would appreciate it.

We would also like to have you become a member of our association. The dues are a mere $2.00 a year (check payable to Miles Merwin Assn.). This only covers the cost of mailing and preparing *Milestones* a several times a year publication with news about the association + Merwins. Help us keep the organization growing.

Best regards,

Merwyn

Dear Cousin:

We are writing a Supplement to The Merwin Family in North America (published in 1978). Our purpose is to continue that genealogy from the tenth through the fourteenth generations (from Miles Merwin 1623-1697).

Since you are one of our family, we would appreciate your completing the enclosed family record. Missing items are encircled or indicated by a question mark. There is no charge or obligation on your part. All Merwins should be in the book.

Your cooperation will be much appreciated.

Best regards,

Merwyn

Dear Cousin:

Your name appears on page 806 of _The Merwin Family in North America_ which we published in 1978. We are now writing a supplement to bring each family line up to date.

Your entry does not state whether you were single or married. If you ~~were~~ are married and have children, I would like to get information about your family.

Also, I would like to know whether your sisters married and had families.

Best regards,

Merwyn
